

Reigneth Company Limited is a Ghana-based Cash-in-Transit (CIT) solutions provider, general merchant, and office equipment supplier — specializing in shrink wrap machines, banknote banding machines, coin counting machines, and related maintenance services for banks and businesses across Ghana.

Our Core Objective

Our primary goal is to ensure that our customers and prospective clients receive the best quality products and unparalleled maintenance services. We believe in fostering long-lasting relationships built on trust, reliability, and satisfaction.

What We Do

Shrink Wrap Machine Services

High-quality shrink wrap machines to protect your products efficiently and effectively, with installation, repairs, and routine maintenance to keep operations running smoothly.

Bank Note Banding Machine Services

Serving banks across Ghana, we supply and maintain advanced banknote banding machines that ensure secure, efficient currency handling and streamlined cash management.

Coin Counting Machine Services

From setup to routine servicing, we keep coin counting equipment running accurately for gaming, vending, and banking operations that handle bulk batches of coins or tokens.

How We Work

01 Supply

We source and supply quality equipment from reputable manufacturers, matched to your volume and budget.

02 Installation

Our technicians set up and commission your equipment on-site, so it's ready to run from day one.

03 Repairs & Maintenance

Routine servicing and responsive repairs keep your equipment in optimal condition and minimize downtime.

04 Nationwide Support

Technicians in both the Southern and Northern zones mean support is never far away, wherever you're located in Ghana.

Why Choose Reigneth?

- Quality products — sourced from reputable manufacturers for durability and reliability
- Expert maintenance — skilled technicians keep equipment in optimal condition
- Customer-centric approach — tailored solutions and prompt support to minimize downtime
- Nationwide coverage — Southern and Northern Zone technician teams serve clients across Ghana

Coverage

We serve clients across Ghana, ensuring that no matter where you are, you have access to our products and services — supported by technician teams covering both the Southern and Northern zones of the country.
